

I WEAR THE SOMBRERO!

AGAVE
D O W N T O W N

It takes a special type of person to wear the sombrero. A person who asks for refills on their enchiladas with a straight face. The type of person who stares down at a bowl of salsa and says "Got a straw?" A person who places an order for another round of tequila the minute the first one arrives. The kind of person who rides his donkey through a busy downtown street and says "Hey! What are you looking at?"

And specials? We've got plenty of incredible specials, such as our muy fantastico Tres Hombres Platter, or the Agave Superio del Puerco Tacos.

So go ahead. Wear the sombrero. We dare you.
